

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. I feel like I'm in Nazi Germany with propaganda being forced down my throat.

I am for industry regulation like it used to be. Not deregulation and corporate ownership!

Please do something and act as quickly as possible.
Thank you.
